

CAPABILITY STATEMENT for ASTA-USA TRANSLATION SERVICES, INC.

Translation and Localization Excellence Since 1987

Capabilities

We translate critical written materials into any language with speed, precision, and strict confidentiality. Our proven three-step, human-driven translation, and verification process has ensured that no organization or government agency has ever challenged or refused our work. We deliver clarity and peace of mind.

Proven Results

Our clients' trust in us is unmatched in this industry. We consistently deliver exceptional value through top-tier linguists and our rigorous verification process. For more than three decades, ASTA-USA has provided flawless, human-driven translation and localization services.

History

Founded in 1987 by Alain J. Roy as part of his business consulting practice, ASTA-USA has grown into a premier provider of human-driven translation and localization services, renowned for excellence, speed, and accuracy in specialized industries worldwide.

Translation Teams

Our core team includes more than 700 certified and accredited translators across the United States and around the globe. Each professional brings at least 12 years of experience and works under strict guidelines requiring meticulous attention to every detail. Every document is analyzed, translated, formatted, proofread twice, and verified for accuracy. We also assemble specialized teams for complex projects, ensuring both effectiveness and precision.

Clients

We serve discerning clients who demand exceptional service and uncompromising accuracy — individuals of integrity and high-impact organizations worldwide.
